March 5<sup>th</sup> 2015

# Free Mediation & Negotiation Skills Workshop

In association with AJA

## Workshop Overview

The Negotiation and Mediation Skills Workshop's objective is to be able to apply specific skills and techniques while communicating and mediating in English, with business partners, associated, clients and colleagues.

With the help of case studies and role plays, you will be introduced to the psychology of interpersonal communication and negotiations, a vital step towards building instant rapport with other people in English.
