

## **CURSO INTENSIVO DE PREPARACIÓN PARA EL EXAMEN ILEC (International Legal English Certificate)**

Director

**D. Martin Kearns**

Barrister at Law

### DESCRIPCIÓN

The aim of this course is to provide preparation for the Cambridge ILEC examination.

Participants will be introduced to the ILEC exam and provided with the necessary skills on how best to achieve exam success.

Relevant material will be supplied covering the most important subjects in English law that frequently appear in the ILEC exam.

The teaching approach will be interactive allowing students to practice their legal English skills while learning about the most important subject areas of English law.

### OBJETIVOS

This course aims to offer effective preparation for the ILEC exam and to introduce important areas of the English common law that are likely to be of practical interest to lawyers from other jurisdictions.

### PROGRAMA

- I. An overview of the ILEC exam. Introduction to the reading, listening, speaking and writing sections and how best to approach these.
- II. Material will be provided covering the following relevant areas of English law: contract law; commercial and insolvency law; employment law; real property law; intellectual property; negotiable instruments; debtor-creditor; and competition law.
- III. Past examinations papers and listening material will also be supplied during the course.
